

Dear Judge Ronda:

8/4/03

Case # 02-cv-599

I apologize for sending you a letter as opposed to a formal motion. However, I have been placed in the "hole" or SHU (Special Housing Unit) at FCI-Waseca for protective custody about any housing whatsoever in violation of BOP policy and my Constitutional Rights.

As you may know I was indicted by the State of IL 25 days prior to my halfway house date for my role in victim Michael Perschke's lawsuit.

Perschke was a victim agent Pankratz was aware of in my trial case as far back as December 1996.

Perschke and my relationship was known to IL authorities since at least 2000.

I was indicted in IL in violation of Speedy Trial and Due Process.

The indictment has caused me to loose eligibility for the 1 year sentence reduction under §3621(c) adding 18 back onto my sentence.

I had already completed the class when this occurred.

I filed a §2241 writ of Habeas Corpus stating due process violations and Liberty interests.

A detainee came into the FBI Waukegan institution on May 19 and on May 20 my eligibility was terminated absent any procedural safeguards violating due process WILF v. MCKINELL

ALAS my trip to the SDI courtesy Warden T.C. Catlow.

Back to the §2241 filed in your Court (3 or 4 times).

Attorney Brown submitted a bare bones petition requesting he be allowed to supplement at a later date.

This Court accepted the §2241 and ordered the government to respond.

The government responded and the Court dismissed the petition without allowing a supplement and without notifying me.

Did Brown notify me? No!

Did Brown appeal the dismissal as required?

I wish to inform this Court that I will be appealing the dismissal of my § 2755.

I am notifying to the best of my ability given the fact that I am confined in the SHU.

Thank you

Fred O. Eyer

A plea agreement that is not signed knowingly or intelligently violates Due Process

An improperly medicated manic depressive Brown to be such by his attorney cannot sign a knowing and intelligent plea.

My attorney, the attorney who signed my plea never obtained or reviewed my 7000 pieces of discovery.

Attorney Silits never signed the plea.

Our supplement would have stated as much given an opportunity
